I saw you and later i Loved you
Refrain:
That is higher love in the sky
So i fly so high and when i see you again
I will feel it again

Chorus:

I dreamed of you and i can't sleep later
After our meeting in the club last weekend

Refrain:
That is higher love in the sky
So i fly so high
And when i see you again
I feel it again

Chorus2:

Today i am thirsty of you that is the highest cloud
Because i love you
And That's not true

Refrain: x50

That is higher love in the sky
So i fly so high
And when i see you again
I never feel this shit again
