The very first time
That I saw your brown eyes
Your lips said hello and I said hi
I knew right then you were the one
But I was caught up
In physical attraction
But to my satisfaction
Baby you were more than just a face

And if I ever (ever fall) in love again (again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (true)
I will be sure that the ladys just like you

Oh, yeah, the very next time shell be my friend

If I say that I will be your one and only
(promise, promise) promise that you'll never leave me
lonely
I just wanna be the one you need
Oh, baby
I just wanna be the one who serves you
Sometime I feel as if I don't deserve you
I cherish every moment that we share

And if I ever (ever fall) in love again (again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (true)
I will be sure that the ladys just like you

(repeat)
Very next time she will be my friend
Someone who I can believe in

(my friend)
I need someone wholl be my friend
(my friend)
To be with me through thick and thin
(my friend)
Please share my love with me my friend
I need someone like you

And if I ever (ever fall) in love again (again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (true)
I will be sure that the ladys just like you
