Ohh la da da da da da da
To you babe, you are all I need to make me happy.
Cause every time
You're
Near, all the tears inside the raindrops, all the sadness
in my
Laughter goes
Away. Oh yeah.
Just believe in me. All I need is someone who believes
in me. You're
The good
Luck charm, you're the reason for the rainbows. God
knows I'd hate to
See you
Go away. Baby, don't leave me this way.
(If you stay) If you stay I'll give you what you want. (I'll
show you)
I'll
Show you I'm the only one for you. (If you stay) If you
stay I'll show
You how
Much I need you. Oh how much I need you.
To be with you. I just wanna constantly be with you.
Cause only when
You're
Around all the problems, all my problems, all the
clouds inside my
Garden go
Away. Baby Whoa...
(If you stay) If you stay I'll do anything you want. (I'll
show you)
I'll show
You I'm the only one for you baby. (If you stay) If you
stay with me
Then I'll
Show you how much I need you. How much I need you
yeah.
Oh, forever, you have all my gratitude forever. Being
who you are
Brings me
Victory as a promise. My frustrations and my losses fly

away. They
Fly...
(If you stay) Stay baby. (I'll show you) \anything you
want, I'll show
You how
Much I need, how much I need you. If you stay with me,
I'll show you
Baby. (If
You stay) If you stay I'll do anything you want. (I'll show
you) I'll
Show you
I'm the only one for you baby. (If you stay) If you stay
with me then
I'll
Show you how much I need you. Only if you stay, only if
you stay. Only
If you
Stay only if you stay baby. Then I'll show you how much
I need you.
