Ohh....

Don't say a word
I understand
You wanna know
If I'm still your man
Girl can't you tell
By the touch of my hand
I'm gonna please you
Every way that I can

I'll hold you
(Hold you)
Love you
(Love you)
I'll never let your love go
(Let you go, Let you go)
For always
(For always)
I'll stay
Just look in my eyes
And you'll know

CHORUS
Baby, I'll be there for you
Where ever you go
What ever you do
Girl, I've got forever in sight
For all of my life
I'll be there for you

Mmm....

Don't ever doubt
Your trust in me
I'll give you my heart
So honestly
Deep in my soul
Baby, you'll find the truth
I'll never change
Girl, I promise you

I'll hold you
(Hold you baby)
Love you
(Lov you lady)
I'll never let your love go
(never let you go, let you go)
For always
(for always)
I'll stay
Just look in my eyes
And you'll know

CHORUS

Nothing and no one
Can tear us apart
(Tear us apart)
You'll always be here
Inside my heart
(Inside my heart)
And just as sure
As the stars shine above
No matter what happens
You can count on my love

CHORUS

I'll be there for you
(When the morning comes)
Where ever you go
(When the evening falls)
What ever you do
(I'll be there baby)
Girl, 'cause I've got forever in sight
For all of my life
I'll be there for you
