Enough lies
We're all helping
We all help in sorrow
But if we are wise
We know that there's always tomorrow

Lean on me
When you're not strong
I'll be your strength
I'll help you carry on
For it won't be long
'til I'm gonna need somebody to lean on

Just call on me brother
When you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand
We all need somebody to lean on

Lean on me
When you're not strong
I'll be your strength
I'll help you carry on
For it won't be long
'til I'm gonna need somebody to lean on

Lean on me
When you're not strong
I'll be your strength
I'll help you carry on
For it won't be long
'til I'm gonna need somebody to lean on
