Memories

The love I left behind
I still think about it all the time
Nothing stays the same
Maybe I'm to blame
Oh I, I'd do it all again

Through these eyes
I've seen a thousand lies
And it's taken years to realize
That nothing stays the same
And no one is to blame
But I, I'd do it all again

Does it really matter if you got it right?
Does it really matter who was wrong or right? (yeah)
All I know, yes I know that I can make it through
What about you?

Ooh my my
But ain't no way it's gonna change me (oh you wanna
know)
Ohhh
Cause all the fear I've left behind (where you gonna go)
Yeah yeah
And only time will tell you what is meant to be

There's a place
I can't let go
Holding all the dreams I used to know
I wish it was the same
I guess no one's to blame
But I, I'd do it all again
Yeah yeah

Does it really matter if you got it right? (does it really
matter?)
Does it really matter who was wrong or right? (who was
wrong or right)
Looking at my life today and I'm alright (I'm alright)
Yes I'm okay (I'm okay)

Now I see the world in a better way (so much better
now)
And I know, yes I know that I can make it through (yeah)

Memories
The love I left behind
I wish it was the same
I guess no one's to blame
No no nothing stays the same
And everything must change
Oh I
I'd do it all again
Ooh again
Again
Again
