Howie speaking:
You know sometimes being
On the road is rough especially the loneliness

Girl I miss you
And it's only been one day
Since I been away
And aw Lady I say I long to kiss you
And hold you in my arms
The nights are much too long when you're gone
Baby that's why...

Chorus
Wherever I go
Girl my heart stays with you
My heart stays with you
After every show
I wanna rush over to you
My heart stays with you

Trust me, when we are apart
I won't break your heart
Wherever you are I know you feel me, Baby
And I can feel you too
No matter what you do
I think of you

Chorus

Baby, yeah
When I'm leaving town
Girl, it hurts me too
But I've got a job to do
I'll be back around
To see your sweet face
Your reembrace
No one can take your place
I want you to know.....

Wherever I go
I'll be rushing over to you

Chorus

Wherever I go
Where I stop, who knows
Whatever I do
My heart stays with you
I'm gonna rush, gonna rush over
