Lying beside you, here in the dark  
Feeling your heartbeat with mine  
Softly you wisper you?re so sincere  
How could our love be so blind

We saild on together  
We drifted apart  
And here you are by my side

CHORUS

So now I come to you, with open arms  
Nothing to hide, belive what I saySo here I?m with open  
armsHoping to see what your love means to me

Open arms ...

Living without you, living aloneThis empty house seems  
so coldWanting to hold you, wanting you nearHow  
much I wanted you home

But now you?ve come backTurned into nightI need you  
to stay

CHORUS

Open Arms ...
