Roll with it
Roll with it (oh yeah)
Roll with it
You've got to roll with it

If you ever feel
Like no one cares
When you try your best
But you get nowhere
Don't give in
Cuz good times
Will come again hey
When they criticize
Every move you make
And you've had as much
As you're gonna take
Don't you worry
Soon enough things will change, ohh

[Bridge:]
And when it seems as though
Nobody understands young man (understand young man)
Oh don't you let your head hang down
Young woman just stick to your plan

You've got to roll with it (that's whatcha gotta do)
Roll with it (yeah, yeah)
Roll with it (oh yeah)
You've got to roll with it (that's whatcha gotta do)
Roll with it (just roll with it)
Roll with it (roll with it)
You've got to roll (you've got to roll)

Just roll with it
Everything will be fine
Just roll with it
It's gonna be alright
Just roll with it
Don't put yourself down
Just roll with it

If you just can't find
Someone to trust
And when you give your heart
But you don't get much
Don't you worry
Your time is gonna come, oh yeah
The whole world's a school
So much to learn
So learn it well young man
The whole world's a stage
Some act the fool
Young woman understand

You've got to roll
Roll with it (you've got to roll)
Roll with it (that's whatcha gotta do)
Roll with it (roll with it)
You've got to roll with it (that's whatcha gotta do)
Roll with it (ooh yeah)
Roll with it (roll with it)
You've got to roll with it (you've got to roll with it)

Just roll with it (roll)
Just roll with it
Just roll with it
Everybody just
Just roll with it
Come on now
Just roll with it
Backstreet's say
Just roll with it
Come on y'all
Just roll with it

[Bridge]
