Let's party  
'magine the Backstreet Boys here with the Neptunes  
Call it the rec. room, play time now holla  
We should be the one ya follow, slow mo, low low,  
thousand spokes on a gold Impalla  
Crushin?, love my women in couples  
One on each arm keep double the trouble  
So I gotta shift ?em and shuffle, love how I twist ?em  
and tussle  
Sex play next day call me huh

Let me tell you the story bout the call that changed my  
destiny  
Me and my boys went out just to end up in misery  
Was about to go home when there she was standing in  
front of me  
And said hi. I got a little place nearby, wanna go?  
I should've said no, someone?s waiting for me  
But I called my girl up and said?

#### CHORUS

Listen baby I?m sorry  
Just wanna tell you don?t worry  
I will be late, don?t stay up and wait for me  
Say it again, you?re dropping out, my battery is low  
Just so you know, we?re going to a place nearby gotta  
go

Now two years gone, nothing?s been won  
I can?t take it back, what?s done is done  
One of her friends found out that she wasn?t my only  
one  
And it eats me from inside that she?s not by my side  
Just because I made that call and lied

#### CHORUS

Don?t stay up and wait cause I?m gonna be somewhat  
late  
I feel for ya if ya can?t relate  
I take getaways like two-day stays,

but look still hit me on my two-way page  
See I'm heavy in the streets like a creamed denali  
Cold outside we take trips to Maui  
AJ, Brian, Kevin, Nick, and Howie  
Accompanied by Clipse pushin T in ally

Let me tell you the story 'bout the call that changed my  
destiny  
Me and my boys went out just to end up in misery  
Was about to go home when there she was standing in  
front of me  
And said hi. I got a little place nearby,gotta go.

CHORUS 2x
