

Backseat Goodbye

"The One"

I'll be the one...

I guess you were lost when I met you
Still there were tears in your eyes
So out of trust and I knew
No more than mysteries and lies

There you were, wild and free
Reachin' out like you needed me
A helping hand to make it right
I am holding you all through the night

CHORUS

I'll be the one
Who will make all your sorrows undone
I'll be the light
When you feel like there's nowhere to run
I'll be the one...

To hold you and make sure that you'll be alright
'Cause my faith is gone
And I want to take you from darkness to light

There you were, wild and free
Reachin' out like you needed me
A helping hand to make it right
I am holding you all through the night

CHORUS

You need me like I need you
We can share our dreams comin' true
I can show you what true love means
Just take my hand, baby please

I'll be the one
I'll be the light
Where you can run
To make it alright
I'll be the one
I'll be the light

Where you can run

CHORUS

I'll be the one

I'll be the light

Where you can run

To make it alright

I'll be the one

I'll be the light

Where you can run

To make it all right

I'll be the one

To hold you

And make sure that you'll be alright

I'll be the one
