Ohh oh yeah

You don't run with the crowd
You go your own way
You don't play after dark
You light up my day

Got your own kind of style
That sets you apart
Baby that's why you've camptured my heart

I know sometimes you feel
Like you don't fit in
And this world doesn't know
What you have within

When i look at you
I see something rare
A rose that can grow anywhere
And there's no one i know that can compare

Chorous:
What makes you different
Makes you beautiful
What's there inside you
Shines through to me
In your eyes i see all the love i'll ever need
What makes you different makes you beautiful to me

You've got something so real
You touched me so deep (touched me so deep)
The material things
Don't matter to me
So come as you are
You've got nothing to prove
You won me with all the you do

And i wanna take this chance to say to you

Chorous

You don't know how you've touched my life
Oh there's so many ways, i just can't describe
You taught me what love is supposed to be
It's all the little things that made you beautiful to me

Chorus

(in background)
Everything in you is beautiful
Love you give shines right through me
Everything in you is beautiful
Beautiful to me (to me)
