Flying on way too close to the sun
On paraffin wings and a prayer
I'm pushed the limit, now I've gone too far
I've gone further than most would dare

Chorus

I'm alive
Heaven know I've found my freedom
Closer to You
I'm alive
And I will keep pressing forward
Closer to You

New horizons where no one else has been before

A side of life I've never seen
Beyond restraints that held me to the ground
Broken the fear of mystery

Chorus

Questions will arise
The birth of unbelief
But I have seen His face
The hand of God will be my strength

Chorus
