I sit and wait does an angel contemplate  
My fate and do they know the places  
Where we go when we're gray and old  
'Cos I have been told that salvation, lets their wings  
unfold

So when I'm lying in my bed, thoughts running through  
my head  
And I feel that love is dead, I'm loving angels instead

And through it all she offers me protection, a lot of love  
and affection  
Whether I'm right or wrong and down the waterfall  
Wherever it may take me, I know that life won't break  
me  
When I come to call, she won't forsake me, I'm loving  
angels instead

When I'm feeling alone and my pain walks down  
Down a one way street, well I look above  
And I know that I'll always be blessed with love  
As the feeling grows

She breathes flesh to my bones and when love is dead  
I'm loving angels instead

And through it all she offers me protection, a lot of love  
and affection  
Whether I'm right or wrong and down the waterfall  
Wherever it may take me, I know that life won't break  
me  
When I come to call, she won't forsake me, I'm loving  
angels instead

And through it all she offers me protection, a lot of love  
and affection  
Whether I'm right or wrong and down the waterfall  
Wherever it may take me, I know that life won't break  
me  
When I come to call, she won't forsake me, I'm loving  
angels instead
