A popularity of invasion  
Handed down through centuries  
A force of arms called gentle persuasion  
What have we learned from history

Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)

Human worth is so inexpensive  
Compared to gold, the root of most wars  
Subtract the tears from countless offences  
What is left but guns and scars

Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)

Well, as for me I'm gonna keep lovin' oh keep on lovin'  
'Cause it's the only sane thing to do oh yeah  
'Cause I'm not into pushin' and shovin' no no  
No confrontation, what have you apparently nothin'

Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)  
Apparently nothin' (Apparently nothin', nothin'  
apparently)

I ain't trying to rule your mind  
A conscious observer to find  
A place on earth where they heed the sign  
Beware of conflicts that ruin mankind

If you want things more better  
Withstand the rides of the bad weather  
The struggle thrives when we all gather  
Down at the bank of the soul river yeah

(Apparently nothin', nothin' apparently) apparently  
nothin'  
(Apparently nothin', nothin' apparently) said apparently  
nothin'  
(Apparently nothin', nothin' apparently) said apparently  
nothin'  
(Apparently nothin', nothin' apparently) said apparently  
nothin'

The nature in hate crime is devious  
Constant design to deceive us  
Best we mind sharp for what's leading us  
Blood lust may soon to be bleeding us  
Pushing and shoving never prove your strength  
The guns and the scars  
Are the senseless spends  
Sent to distraction from infinite potential  
The vanity the glamour of the most influential  
Apparently gallantly turning the blind eye  
As the innocent die for the Diamond we strive for  
Fools gold of the fashionable foolish  
Redemption songs remind minds why we do this  
Pump our fist and stand justice  
Adjust body and mind persist and insist  
Revelations reveal the light so brightly  
Insight flies at them height so rightly

Well let me see the light if you know your right  
Yeah yeah [x4]  
Let me see your light if you know your right  
I got to see your light if you know your right  
Oh let me see the light if you know your right  
Wanna see your light if you know your right  
This little light of mine, I'm gonna let it shine, let it  
shine [x3]

Everywhere I go I'm gonna let it shine  
Let me tell you 'bout it everywhere I go  
I'm gonna let it shine ya'll  
I say everywhere I go yeah I'm gonna let it shine

Everywhere I go I'm gonna let it shine

Anytime anytime anytime of day

Anytime anytime anytime of day

Let me talk about it

Anytime what anytime anytime of day

Sing it anytime anytime anytime of day
