The weather's hot like hell
It's sort of casts a spell
I want a friendly face
Inside a cool dark space

Yeah, summer's begun
This is where one, needs to be two
Yeah, I know I'm bold
But baby, I'm sold on me with you

Come as you are
You can stand
Take my hand, I'll help
Come as you are
Don't be shy
Don't deny yourself

So are we good to go?
Don't act like you don't know
This is a brand new dress
Don't want to make no mess

Yeah, summer's begun
We can have fun, playing for kicks
Yeah, habits to feed
And baby, I need to get my fix

Come as you are
You can stand
Take my hand, I'll help
Come as you are
Don't be shy
Don't deny yourself

Come as you are
You can stand
Take my hand, I'll help
Come as you are
Don't be shy
Don't deny yourself

Got to give a shout out

Going to the people who feel
What a sister like me is talking 'bout

Got to give a shout out
Going to the people who feel
What a sister like me is talking 'bout
Hey, hey, hey

Come as you are
Come on

Come as you are
You can stand
Take my hand, I'll help
Come as you are
Don't be shy
Don't deny yourself

Come as you are
You can stand
Take my hand, I'll help
Come as you are
Don't be shy
Don't deny yourself

Oh, yeah
You gotta come as you are
Take my hand, I will hold it [Incomprehensible]
