Who
Said
It's never too late
To learn
Oh-oh oh
Oh oh
Oh-oh

This'll be the time
This'll be the year
I swear I'll make a difference
Move on up a gear
It's the cry of the land
It's a definite stand
For the new, alright

Answers that we sought
Questions that we asked
Suddenly become to us
Problems from our past
So our party begins
With the proof of our sin
Still in view

The beat goes on
Here lies the homeless man
He's taken all he can stand
We say 'how wrong' (we say 'how wrong')
Glad we're just passing by
Too quick to catch his eye

Who
Said
It's never too late
To learn
(Ooh sing it again)
Who
Said
It's never too late
To learn

Oh, yeah, yeah

Oh yeah yeah

Jody got a son
Jody had a man
Now she's got an empty space
Where his picture used to hang
See some wounds never close
But her face never shows
Her regret, no no

The beat goes on
Turn of the century
Life feels the same to me
Let's change our song (let's change our song)
Show our deliverance
Instead of sentiments

Who
Said
It's never too late
To learn
(oh it's never)
Who
Said
It's never too late
To learn
(said that it's never

Who
Said
It's never too late
To learn
(oh never never)
Who
Said
It's never too late
To learn

Yeah yeah yeah
Never too late to learn
Never
Too late

Let's change our song (let's change our song)
Show our deliverance
Instead of sentiments
Now who said it

Who
Said
It's never too late

To learn
(never never never)
Who
Said
It's never too late
To learn
(said its never to late)

Who
Said
It's never too late
To learn
(ooh come and try baby)
Who
Said
It's never too late
To learn
(Jesus)

Who
Said
It's never too late
To learn
(never never never)
Who
Said
It's never too late
To learn
