Put your arms around me  
Feel what you can do  
You can take away my bad mood  
You can do me good

Oh hey  
Oh yeah  
Ohh

Your love is remedy  
The sweetness in my life  
You have the ability  
To put me right

As long as you're beside me  
I am not afraid  
You've given me security  
It keeps me warm and safe

I love you  
I need you  
I love you  
I need you

Your love is a remedy  
The sweetness in my life  
You have the ability  
To put me right

Your love is a remedy  
The sweetness in my life  
You have the ability  
To put me right

There is so much more that you can do  
Ain't nobody like you  
Who makes me feel like a girl  
Whose on top of the world

Your love is a remedy  
The sweetness in my life  
You have the ability

To put me right
