This woman's eyes ain't got no color
When I think about life without you
An' even if it's for the best
Regardless, it's the hardest thing to do

Lookin' at the path that we've taken
We didn't leave a stone unturned
But don't you believe that this
Don't slay me even if I act unconcerned

'Cause with a smile I will face the world
Though my eyes reflect the truth
I'm moving on, but you know I do
With a hole in my heart in the shape of you
With a hole in my heart in the shape of you

I step into uncharted water
And I'm afraid of what I've done
See I can't head towards my future
I'm reminiscing on just how far we had come, yeah

Maybe we could find redemption
Maybe, maybe then it all could make sense
But until then I must believe these words
Even though I think you know that I'm unconvinced

With a smile I'll face the world
Though my eyes reflect the truth
I'm moving on, but you know I do
With a hole in my heart in the shape of you
With a hole in my heart in the shape of you

With a smile I'll face the world
Though my eyes reflect the truth
I'm moving on, but you know I do
With a hole in my heart in the shape of you
With a hole in my heart in the shape of you

With this hole in my heart in the shape of you
With a hole in my heart in the shape of you, you, you

You [Incomprehensible] heart, baby

You [Incomprehensible] heart, babe
In my heart, baby, in my soul, babe
In my heart, babe, in my heart, babe, in my soul, babe

You [Incomprehensible] heart, babe
In my heart, babe
You [Incomprehensible] heart, babe
In my heart, babe, in my soul, in my
