Just one moment  
In the blink of an eye  
Did I miss it  
When you said your goodbye?  
Heaven help me  
There's a hole in my head  
'Cause my last memories  
Were the words that you said

Said you didn't want to lose me  
Said you needed time to breathe  
So tell me what the hell do I do now?

Left an open door  
Can't use words no more  
Quietly insane  
'Til I see ya, 'til I see ya  
I can hardly wait  
Patience has been great  
I won't speak your name  
'Til I see ya

Feeling nervous  
What are you tryin' to say?  
Play your message  
In my mind everyday  
Analysing every pause in the line  
So convincing when you said you were mine

Said I didn't have to worry  
Said you didn't want to leave  
So how come you're not here with me right now?  
Left an open door  
Can't use words no more  
Quietly insane  
'Til I see ya, 'til I see ya  
I can hardly wait  
Patience has been great  
I won't speak your name  
'Til I see ya

Until I see that vacant look in your eye

That's more than words can say  
Just want your honesty  
If you chose to leave or stay  
Then tell me  
'Cause I need to know

Left an open door  
Can't use words no more  
Quietly insane  
'Til I see ya, 'til I see ya  
I can hardly wait  
Patience has been great  
I won't speak your name  
'Til I see ya

Left an open door  
Can't use words no more  
Quietly insane  
'Til I see ya, 'til I see ya  
I can hardly wait  
Patience has been great  
I won't speak your name  
'Til I see ya, 'til I see ya
