Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow
Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow, tomorrow

We're not over yet
See our journey's just beginning and the future's set
'Cause, see I need to be with you, don't you worry none
See my shoes ain't walking nowhere but right back to
home
'Cause, see this vibe I feel is love

Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow
Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow, tomorrow

There's a higher source that sets the wheels of love in
motion
It's the unseen force that'll bind us closer still
I just can't resist and if I did it would be futile
See with every kiss I, I, I can't help myself

Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow
Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow, tomorrow

I believe it
(Do ya?)

Yes, I do
Mother Nature's settin' it off
(Set if off)
We got it
(We got it)
A love so deep
(Yeah)

Believe it
I believe in us
(Do ya?)
Yes I do
Mother Nature's settin' it off
(Set if off)
We got it
(We got it)
A love so deep
(So deep)

Baby just me and you, together it's just us two
And it's getting deeper, yeah
Baby just me and you, together it's just us two
It's getting deeper

Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow
Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow, tomorrow

Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow
Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow, tomorrow

Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow
Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow, tomorrow

Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow
Somethin' deep is going on
Mother Nature set it off
I feel that we that we can carry on
Tomorrow, tomorrow, tomorrow
