You laugh, I smile
Been hanging out for a while
Yeh baby you and me
Are best friends
Your shy, but I
Get this feeling from you
Theres somethin happening here
Boy don't you pretend

I can see the question in your eyes
I've got the answers and let me tell you I'm..

Chorus:

Unequivocly yours, yeh I sad it for sure
I'm really thinkin this could be love and maybe
In time we'll be tossed
Idomaticly lost for words to say to me
Can best friends hold hands
And fall into a kiss
If thats what your asking absolutely

Just breathe, it's just me

Up against your lips
Yeh absoultey this...must be real
If its still not clear in your mind
I'll just say it another 57 times

Chorus

Unequivocly yours, yeh I sad it for sure
I really, I really think this could be love
and Baby, maybe i'm just
Idomaticly lost for words to say to me
Can best friends hold hands
And fall into a kiss
If thats what your asking
Mmhmm yeh thats what your askin
Absolutely

repeat 2x

Tell me can you feel me

Tell me can you feel this is love
Absolutely
