Feels like I'm standing in a timeless dream
Of light mists and pale amber rose
Feels like I'm lost in a deep cloud of heavenly scent
Touching discovering you

Those days of warm rains come rushing back to me
Miles of windless summer night air
Secret moments shared in the heat of the afternoon
Out of the stillness soft spoken words
Say say it again

CHORUS:

I love you always forever
Near and far closer together
Everywhere I will be with you
Everything I will do for you

(chorus)

You've got the most stumbling blue eyes I've ever seen
You've got me almost melting away
As we lay there under a blue sky with pure white stars
Exotic sweetness a magical time
Say say it again

(chorus x2)

Say you'll love love me forever
Never stop never whatever
Near and far and always and everywhere and
everything
Say you'll love love me forever
Never stop never whatever
Near and far and always and everywhere and
everything

Say you'll love love me forever
Never stop never whatever
Near and far and always and everywhere and
everything
Say you'll love love me forever
Never stop never whatever

Near and far and always and everywhere and
everything

(chorus x4)
