Uh...
Uh...
C'MON! UH!
Firing Squad nigga!
Yeah!
You see it...
First Family...
First Family, c'mon...

[Billy Danze]
Every night I sit and bask in the memories of Frank and
Sayin to myself what the hell was he thinkin
Usage of illegal drugs and heavy drinkin
Had my old man sinkin
Now you never seen the Danze cry
But the day that man died
My life came crumblin down like a landslide
Damn pride, now I'm in the zone
Wonderin how long before me and my moms would be
alone
I remember what he said
Layin on his deathbed, rubbin his shiny bald head
Respect your sister, don't follow your brothers
Take care of your mother... I love ya [croaking]
He told me he believed in me
And he has given me
The strength to be as strong as I need to be
That's when I realized he was leavin me
It wasn't just my heart or my eyes deceivin me
At the age of fourteen
It was more than just a goal or dream
To take care of my queen
It's my turn to stand firm as I could stand
[Just like your daddy...]
My father was a good man

HOOK 2X w/ Lil Fame
For the Foundation
We have suffered *Blood, Sweat and Tears*
And cleared all complications
Put it down, in any situation

Now, you are the last generation

[Lil Fame]

I was introduced to shootouts, winos
Dope fiends, 5-0
Gamblers, scramblers, pan handlers
Murderers that took lives just to survive, in 1545
The building, raised as a young nigga
With thug niggas
Held down drugs for love niggas
Drug dealers bang out, gun shots rang out
Besides that EZ house, was the hang out
Niggas stole cars, and made the spot hot
Cuz we parked 'em on the block
Like we copped 'em off the lot
Can't forget the older soldiers, Sputnion
Man mad poppin B, say Marce' Saratoga!
Motherfuckers knew the block that was poppin them
guns
They was like the first niggas in the hood wit M-1's
Some niggas got beat up, them niggas tore the street
up
They do dirt, come back, [Slap, put the heat up]
Retaliation, niggas shootin for dead
They fucked around and mommy got hit in the leg
Same night, niggas out to get somethin
Malik ran up inside they spot, and hit somethin
I learned the game, stay concerned
So no matter how the world turn I'ma stand firm
Representin where I was born and where I was raised
Brownsville! Still goin out in a blaze
