I heard the big city never sleeps  
Hear they roll up the streets  
Around ten o'clock

On the other side of river bridge  
There's a spot on Powell Ridge  
Where the asphalt stops

Sometimes when the sky is clear  
We slip away  
And disappear

Layin' out on the hood of the car  
Spellin' our names by connectin' the stars  
Love  
Runnin' as deep as the creek runs clear  
We got Heaven on Earth down here

Sometimes I hear from an old friend  
I haven't seen since I don't know when  
From out of the blue

We'll laugh and she'd some tears  
Catch up on the last few years  
In a minute or two

I know it's hard  
For him to believe  
But there's no place I'd rather be  
Than layin' out on the hood of the car  
Spellin' our names by connectin' the stars  
Love  
Runnin' as deep as the creek runs clear  
We got Heaven on Earth down here

Why be in a hurry  
No need to watch the clock  
Time moves so slow down here  
You can almost  
Feel it stop

Layin' out on the hood of the car

Spellin' our names by connectin' the stars  
Love  
Runnin' as deep as the creek runs clear

Layin' out on the hood of the car  
Spellin' our names by connectin' the stars  
Love  
Runnin' as deep as the creek runs clear  
We got Heaven on Earth down here

We got Heaven on Earth down here
