Kids are doing it all across the nation
Time to battle now for world domination
Cooler than your hip
You better get a grip
The battle has begun so let it rip

Beyblade watch out cos here we come
Let it rip now
Let's go now
Don't tell who's gonna be number 1
Let it rip now
Let it go now

The battle's on now it's time to take it
With all my friends yeah I know that we can make it
You gotta use your brain
In order to retain
The number 1 position in the game

Beyblade watch out cos here we come
Let it rip now
Let's go now
Don't tell who's gonna be number 1
Let it rip now
Let it go now

Beyblade watch out cos here we come
Let it rip now
Let's go now
Don't tell who's gonna be number 1
Let it rip now
Let it go now

Beyblade watch out cos here we come
Don't tell who's gonna be number 1

Kids are doing it all across the nation
Time to battle now for world domination
Cooler than your hip
You better get a grip
The battle has begun so let it rip

Beyblade watch out cos here we come
Let it rip now
Let's go now
Don't tell who's gonna be number 1
Let it rip now
Let it go now

Beyblade watch out cos here we come
Let it rip now
Let's go now
