So Let It Rip  
It often spins so  
fast that you can't sit  
but don't be sentimental

Watchin' and Waitin'  
Were all about to bounce  
It's not like the last time  
'cause this ones gotta count

(Chorus)  
So Don't wait  
Show'em that your  
not a zero, hero  
be the last to stand and  
let it rip

So Get your kicks  
Don't blow your top  
'cause you can handle it  
be what you wanna be  
it's head-to-head(head-to-head)  
it's captivant(captivant)  
gotta find your spike somehow  
and put it on the line

(Chorus)  
So don't wait  
show'emthat your  
not a zero, hero  
be the last to stand and let it rip(x3)

So watchin' and waitin'  
were all about to bounce  
it's not like the last time  
'cause this ones gotta count

(Chorus)  
So don't wait  
show'em that your  
not a zero, hero  
be the last to stand and let it rip(x3)

(Don't wait) be the last to stand and let it rip(x2)
