Let's go beybladers
Let's rip, let's fly

We will fight anyone that dares us
We'll never give up, no one can compare us

Let's go beybladers
Let's go beybladers

We're the giant spirit dudes around
No one can beat us if we stick together
We'll rip, zip, kick light as a feather

Let's go beybladers
Let's battle to the end

Let's go beybladers
With the coolest of friends

Let's go beybladers
Let's rip, let's fly

Let's rip, let's fly
Beyblade
