I've been fighting every night and day  
Gotta do my best to put you away  
Better psych yourself, get ready to play  
If you ever wanna make it  
You think you're gonna run me up against the wall  
Then let it rip, get ready to fall-

You're never gonna take me down  
Better watch your back, I'm the best in town  
Forever I'll be spinning 'round  
You'll never stop me  
I've got one foot off the ground  
With my Beyblade, my Beyblade beatin'  
You'll never take me down  
You're never gonna take me down

I like to win, and it ain't no crime  
To always hold your head up high  
When you lose to me, don't whine and cry  
Cos you know you played the best  
Come on if you really wanna break the chain  
Cos I can play you, again and again-

You're never gonna take me down  
You'd better watch your back, I'm the best in town  
Forever I'll be spinning 'round  
Oh, You'll never stop me  
I've got one foot off the ground  
With my Beyblade, my Beyblade beatin'  
You'll never take me down  
You're never gonna take me down

Take me down

OH YEAH!

You're never gonna take me down,  
Oh, you'll never take me down  
Forever I'll be spinning 'round  
You'll never stop me  
I've got one foot off the ground

With my Beyblade, my Beyblade beatin'  
You'll never take me down  
You're never gonna take me down

NO WAY!  
You're never gonna take me down
