If I aint got nothing, I got you  
If I aint got something I don't give a damn, cause I got  
it with you  
I don't know much about algebra, but I know one plus  
one equals two  
And it's me and you, thats all we'll have when the world  
is thru

Cause baby we aint got nothing without love  
Darling you got enough for the both of us  
So come on baby, make love to me

When my days look low, pull me in close and don't let  
me go.  
Make love to me. So that when the worlds at war, that  
our love heal us all

Right now baby make love to me...me...me...mee...mee.  
ooh ooh make love to me.

Hey! I don't know much about guns but I...I've been shot  
by you  
Hey! And I don't know when I'm gon die, but I hope that  
I'm gon die by you  
Hey! And I don't know much about fighting, but I, I  
know I will fight for you  
Hey! Just when I ball up my fist I realize that I'm laying  
right next to you

Baby we aint nothing but love, and darling you got  
enough for the both of us  
Make love to me...when my days look low, pull me in  
close and don't let me go.  
Make love to me...so that when the worlds at war, that  
our love heal us all  
Help me let down my guard, make love to  
me...me...me...mee...mee ooh ooh ooh make love to  
me...me...me...mee...mee.
