(beyonce)

Here i am

Looking in the mirror

An open face, the pain erased

Now the sky is clearer

I can see the sun

Now that all is, all is said and done, oh

(Marc)

There you are

Always strong when i need you

You let me give

And now i live, seriously and protected

With the one i love

After all is, all is said and done

[Beyonce'] (Marc)

I once believed taht hearts were made to bleed

(inside i once believed that hearts were made to bleed,
oh baby)

But ow i'm not afraid to say

[Beyonce'& Marc]

I need you. i need you to stay with me

[Beyonce'](Marc)

These precious(precious)hours(yeah)

Greet each dawn in open arms

And dream, into tomorrow

[Beyonce'& Marc']

Where there's only love

After all is, all is said and done

[Beyonce'](Marc)

(Yeah baby) Oh baby

(inside i once believed, that hearts were made to
bleed)

[Beyonce'& Marc](Marc)

(I'll never)

I'll never be afraid to say
I need you, I need you, so here

[Beyonce']
So here we are in the still of this moment
Fear is gone, hope lives on

[Beyonce' & Marc](Beyonce')
We found our happy ending
For there's only love(only love)
And this sweet, sweet love
After all is, all is said and done

[Marc](Beyonce')
Yeah baby after all is(all is)

[Marc & Beyonce']
All is said and done
