Every night I rush to my bed  
with hopes that maybe Iâ€™ll get a chance to see you  
when i close my eyes  
iâ€™m goin outta my head  
lost in a fairytale  
can you hold my hands and be my guide

clouds filled with stars cover your skies  
and i hope it rains  
youâ€™re the perfect lullaby  
what kinda dream is this

you can be a sweet dream or a beautiful nightmare  
either way i, don't wanna wake up from you  
sweet dream or a beautiful nightmare  
somebody pinch me, your loves to good to be true  
my guilty pleasure i ain't goin no where  
baby long as you're here  
iâ€™ll be floating on air cause you're my  
you can be a sweet dream or a beautiful nightmare  
either way i, don't wanna wake up from you

i mention you when i say my prayers  
i wrap you around all of my thoughts  
boy you my temporary high  
i wish that when i wake up youâ€™re there  
to wrap your arms around me for real  
and tell me youâ€™ll stay by side

clouds filled with stars cover your skies  
and i hope it rains

youâ€™re the perfect lullaby  
what kinda dream is this

you can be a sweet dream or a beautiful nightmare  
either way i, don't wanna wake up from you  
sweet dream or a beautiful nightmare  
somebody pinch me, your loves to good to be true  
my guilty pleasure i ain't goin no where  
baby long as you're here  
iâ€™ll be floating on air cause you're my

you can be a sweet dream or a beautiful nightmare  
either way i, don't wanna wake up from you

tattoo your name across my heart  
so it will remain  
not even death can make us part  
what kind of dream is this?!

you can be a sweet dream or a beautiful nightmare  
either way i, don't wanna wake up from you  
sweet dream or a beautiful nightmare  
somebody pinch me, your loves to good to be true  
my guilty pleasure i ain't goin no where  
baby long as you're here  
iÂ'll be floating on air cause you're my  
you can be a sweet dream or a beautiful nightmare  
either way i, don't wanna wake up from you
