What goes around comes back around
Hey, my baby
What goes around comes back around
Hey, my baby

I say, what goes around comes back around
Hey, my baby
What goes around comes back around

There was a time
I thought that you did everything right
No lies, no wrong
Boy, I must've been outta my mind

So when I think of the time that I
Almost loved you
You showed your ass and I
I saw the real you

Thank god you blew it
I thank god I dodged a bullet
I'm so over you
So baby, good looking out

I wanted you bad, I'm so through with it
'Cause honestly you turned out to be the
Best thing I never had
You turned out to be the
Best thing I never had

And I'm gon' always be the
Best thing you've never had
Oh yeah
I bet it sucks to be you right now

So sad, you're hurt
Boo hoo, oh, did you expect me to care?
You don't deserve my tears
I guess that's why they ain't there

When I think that there was a time
That I almost loved you

You showed your ass
And baby, yes, I saw the real you

Thank god you blew it
I thank god I dodged a bullet
I'm so over you
Baby, good lookin' out

I wanted you bad, I'm so through with it
'Cause honestly you turned out to be the
Best thing I never had
Said, you turned out to be the
Best thing I never had

Hmm, and I'll never be the
Best thing you've never had
Oh baby, I bet
Sucks to be you right now

I know you want me back
It's time to face the facts
That I'm the one that's got away
Lord knows that it would take

Another place, another time
Another world, another life
Thank god
I found the good in goodbye

I used to want you so bad, so through with that
'Cause honestly you turned out to be the
Best thing I never had
Oh, you turned out to be the
Best thing I never had

And I will always be the
Best thing you never had
Ooh
Best thing you never had

I used to want you so bad, I'm so through with that
'Cause honestly you turned out to be the
Best thing I never had
Oh, you turned out to be the
Best thing I never had

Oh, I will never be the
Best thing you never had
Oh baby
I bet it sucks to be you right now

What goes around comes back around
What goes around comes back around
(I bet it sucks to be you right now)

What goes around comes back around
(I bet it sucks to be you right now)
What goes around comes back around
(I bet it sucks to be you right now)
