[Beyonce:]

What goes around comes back around (hey my baby)
What goes around comes back around (hey my baby)
What goes around comes back around (hey my baby)
What goes around comes back around (hey my baby)

There was a time
I thought, that you did everything right
No lies, no wrong
Boy I, must've been outta my mind
So when I think of the time that I almost loved you
You showed you ass and I saw the real you

Thank god you blew it
Thank god I dodged the bullet
I'm so over you
So baby good lookin' out

[Chorus:]

I wanted you bad
I'm so through with that
Cause honestly you turned out to be the best thing I
never had
You turned out to be the best thing I never had
And I'm gon' always be the best thing you never had
I bet it sucks to be you right now

[Avery storm:]

It's so hard that you're hurt
When we both know don't act like you never cared
I don't deserve your tears
Cause I did put them there
Think that everytime that you said I love you
You showed your ass girl that wasn't the real you
Too bad you blew it
Too bad you couldn't put the work in
You gave up on us
When we should have worked it out

[Beyonce:]

I know you want me back
It's time to face the facts

That I'm the one that's got away
Lord knows that it would take another place, another
time, another world, another life
Thank god I found the good in goodbye

[Chorus:]

I used to want you so bad
I'm so through it that
Cause honestly you turned out to be the best thing I
never had
You turned out to be the best thing I never had
And I will always be the, best thing you never had.
Best thing you never had!

I used to want you so bad
I'm so through with that
Cause honestly you turned out to be the best thing I
never had
Oh you turned out to be the best thing I never had
And I will always be the best thing you never had
Oh baby, I bet it sucks to be you right now

Goes around, comes back around
Goes around, comes back around
Bet it sucks to be you right now
Goes around, comes back around
Bet it sucks to be you right now
Goes around, comes back around
Bet it sucks to be you right now
