Party the people, the people the party it's popping no
sitting around,
I see you looking you looking I see you I look at what
you started now

Let's hook up little one on one up come on give some of
the that stuff,
Let me freshin' it with no ruff (let's go)
Let's hook up when we start we won't stop,
Baby, baby don't stop come on give me some of that
stuff (let's go)

I am, Black Culture
