(Missy)

I was in love
Thats what it was when I met
In love
And no one could ever talk bout you
But it sucks, so many and alabies
I love mmmm

Crazy feelings
Make me stay in love wit you
Crazy feelings
Make me stay in love wit you

(Beyonce)

So in love
I just didn't see the wrong you did
In love
But now that I know I can admit
It was the love that made me a fool silly fool
In love uh, crazy feelings

Crazy feelings
Make me stay in love wit you
Crazy feelings
Make me stay in love wit you

(Missy)

It was always in my face, all the time
Even wit 20/20 vision, I couldn't see you lie
It was always in my face, all the time
Even wit 20/20 vision, I couldn't see you lie

Crazy feelings
Make me stay in love wit you
Crazy feelings
Make me stay in love wit you (repeat until end)
