I remember
When you used to take
Me on a bike ride
Every day, on the bayou
(Remember that? We were inseparable?)

And I remember
When you could do no wrong
You'd come home from work
And I'd jump in your arms
When I saw you
(I was so excited)
I was so happy
(So happy to see you so happy to see you)
To see you
Ooh

Because you loved me
I overcome
And I'm so proud of what you've become
You've given me such security
No matter what mistakes I make you're there for me
You cure my disappointments and you heal my pain
You understood my fears and you protected me
Treasure every irreplaceable memory

And that's why
I want my unborn son
To be like my daddy
I want my husband to
Be like my daddy
There is no one
Else like my daddy
And I thank you for lovin me
(Daddy daddy daddy)
I still remember
The expression your face
When you found out I'd been on a date
And had a boyfriend
(My first boyfriend, you shoulda seen your face)

I still remember

I called you crying coz of tattoo
Coulda said Beyonce I told you so
Instead you said you'd get one too
(Even my momma said y'all get one just like mine)
Words can't express my boundless gratitude
For you
I appreciate what you do, oh

You've given me such security
No matter what mistakes I know you're there for me
Cured my dissapointments and you healed my pain
You understood my fears and you protected me
Treasure every irreplaceable memory and
That's why

I want my unborn son
To be like my daddy
I want my husband to be like my daddy
There is no one else like my daddy
And I thank you (thank you) for lovin me

Even if my man broke my heart today,
No matter how much pain I'm in I will be okay
Cuz I got a man in my life that can't be replaced
For this love is unconditional
It won't go away
And I know I'm lucky (lucky)
Know it aint easy
For men who take care of their responsibilities
Love is overwhelming
Lord why did you pick me
Can't stop my tear from falling
I love you so much daddy

Thank you
You've done so much for me
I love you,
Daddy

I get so emotional daddy
Every time I think of you
I get so emotional daddy
Every time I think of you
There is no one else like my daddy
No one will replace my daddy
Daddy daddy daddy daddy
