show you show you show you til your through with me
wanna keep it how it is
so you can never say how it use to be

loving you is really all thats on my mind
and i can't help but to think about it day and night
i wanna make that body rock sit back and watch

tonight im gonna dance for you (ooh oh)
tonight im gonna dance for you (ooh oh)
tonight im gonna put my body on your body
boy i like it when you watch me
tonight its going down
i be rocking on my babe rocking rocking on my babe
swirling on my babe swirling swirling on my babe
baby baby put my body on your body promise not to tell
nobody
tonight its going down

you'll never need two
cause i will be your number 1
them other chicks are superficial
but i know you know im the one
that's why im all into you
cause i can recognize that you know that
that's why im backing this thing back
pop popping this thing back
drop drop drop dropping this thing back
this is for the time you gave me flowers
for the world that is ours

for the mulah for the power of love
and no i wont never ever ev-ever give you up
and i wanna say thank you in case i don't thank you
enough
a woman in the streets and a freak in the you know
what
sit back sit back its the pre game show
daddy you know whats up

loving you is really all thats on my mind
and i can't help but to think about it day and night
i wanna make that body rock sit back and watch

tonight im gonna dance for you (ooh oh)
tonight im gonna dance for you (ooh oh)
tonight im gonna put my body on your body
boy i like it when you watch me
tonight its going down
i be rocking on my babe rocking rocking on my babe
swirling on my babe swirling swirling on you babe
baby baby put my body on your body promise not to tell
nobody
cause its about to go down

im gone take this time
to show you how much you mean to me cause you are
all i need
no money can emphasize , or describe the love thats in
between
the lies boy look into my eyes
while im grinding on you this is beyond sex im high off
you if its real than you know how i feel
rocking on you babe rockin rocking on you babe
swirling on you babe in my mind all i can think about
is the frames for our future and the pictures of the past
and a chance to make this love last ooh oh

tonight im gonna dance for you (ooh oh)
tonight im gonna dance for you (ooh oh)
tonight im gonna put my body on your body
boy i like it when you watch me
tonight its going down
i be rocking on my babe rocking rocking on my babe
swirling on my babe swirling swirling on you babe
baby baby put my body on your body promise not to tell
nobody
cause its about to go down
