(verse 1)

baby i love u, u are my life
my happiest moments were incomplete if u weren't by
my side,
baby i'm so proud, proud to be your gurl,
u make the confussion go all away from this cold and
mixxed world

Chours

i am in love with u, u set me free,
i can't do this thing, called life without u here with,
cause i'm dangerously in love with u, i'll never leave,
just keep lovin me, the way i love u lovin me

i know it ain easy, easy lovin me,
bnad i aprietian the love a dedication from u to me
later on in my destony, i see myself havin your child
i see myself being your wife, an i see my whole future
in your eyes,
thought of all my love for u sometimes makes me
wanna cry
i realize all my blessings i'm so grateful to have u by
my side

cause i am in love,
i can't do this thing called life without you
no,no,no,no
just keep lovin me

everytime i see your face my heart smile,
everytime it feels so good it hurts so bad,
created in this world to love, to hold,to feel,to breath,
to live u
dangerously in love
