I love you  
I love you  
I love you

Baby, I love you  
You are my life  
My happiest moments weren't complete  
If you weren't by my side

You're my relation  
In connection to the sun  
You next to me  
There's no darkness I can't overcome

You are my raindrops  
I am the seed  
You and God, who's my sunlight  
I bloom and grow so beautifully

Baby, I'm so proud  
Proud to be your girl  
You make the confusion go all away  
From this cold and misty world

I am in love with you  
You set me free  
I can't do this thing  
Called life without you, here with me

'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep lovin' me  
The way I love you, lovin' me

'Cause I am in love with you  
You set me free  
I can't do this thing  
Called life without you, here with me

'Cause I'm dangerously in love with you  
I'll never leave  
Just keep lovin' me

The way I love you, lovin' me

And I know you love me  
Love me for who I am  
'Cause years before I became who I am  
Baby, you were my man

I know it ain't easy  
Easy lovin' me  
I appreciate the love and dedication  
From you to me

Later on in my destiny  
I see myself havin' your child  
I see myself bein' your wife  
And I see my whole future in your eyes

Thought of all my love for you  
Sometimes make me wanna cry  
Realize all my blessings

I'm grateful to have you by my side

I am in love with you  
You set me free  
I can't do this thing  
Called life without you, here with me

'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep lovin' me  
The way I love you lovin' me

'Cause I am in love with you  
You set me free  
I can't do this thing  
Called life without you, here with me

'Cause I'm dangerously in love with you  
I'll never leave  
Just keep lovin' me  
The way I love you, lovin' me

Every time I see your face  
My heart smiles  
Every time it feels so good  
It hurts sometimes

Created in this world  
To love, to hold  
To feel, to breathe

To live you

Dangerously in love

Can't do this thing  
I love you , I love you, I love you  
I'll never leave  
Just keep lovin' me

I'm in love with you  
I'm in love with you  
I cannot do  
I cannot do anything without you in my life

Holdin' me, kissin' me, lovin' me  
Dangerously  
Dangerous  
Dangerously in love with you

Oh, I love you  
I love you, love you  
Love you, love you  
Love you, I love you

Oh yes, I love you  
I love you, love you  
Love you, love you  
Love with you

Love you  
I love you, I love you  
I love you, I love you  
Dangerously in love
