I love you  
Baby I love you  
You are my life  
My happiest moments weren't complete  
If you weren't by my side  
You're my relation  
In connection to the sun  
With you next to me  
There's no darkness I can't overcome  
You are my raindrops  
I am the seed  
With you and God, who's my sunlight  
I bloom and grow so beautifully  
Baby, I'm so proud  
So proud to be your girl  
You make the confusion  
Go all away  
From this cold and messed up world

I am in love with you  
You set me free  
I can't do this thing  
Called life without you here with me  
Cause I'm Dangerously In Love with you  
I'll never leave  
Just keep lovin' me  
The way I love you loving me

Every time I see your face  
My heart smiles  
Every time it feels so good  
It hurts sometimes  
Created in this world  
To love and to hold  
To feel  
To breathe  
To live you

I am in love with you  
You set me free  
I can't do this thing  
Called life without you here with me

Cause I'm Dangerously In Love with you  
I'll never leave  
Just keep lovin' me  
The way I love you loving me

I love you, I love you, I love you  
Dangerously in love  
I love you, I love you, I love you

He loves me especially different  
Everytime you keep me on my feet happily  
Excited by your cologne, and your hands, your smile,  
your intelligence  
You woo me, you court me, you tease me, you please  
me  
You school me, give me things to think about  
Ignite me, you excite me  
You love me and you like me,  
Incite me, Incite me to chorus
