Jay-Z (Rap 1):

I used to run 'base like Juan Pierre

Now I run the Bass, Hi Hat and the Snare

I used to bag girls like Birkin bags

Now I bagged B-- (B: Boy you hurtin' that!)

Brooklyn Bay where they birthed me at!

Now i be everywhere-the Nerve of Rap!

The audacity to have me whipping curtains back--

Me and B, she about to steam, STAND BACK

Verse 1:

Baby...

Seems like everywhere I go I see you

From your eyes, I smile

It's like I breathe you

Helplessly I reminisce

Don't want to compare nobody to you

Pre-Chorus:

Boy, I try to catch myself

But I'm out of control

You're sexiness is so appealing

I can't let it go

Oh...

Chorus:

Know that I can't get over you

Cause everything I see is you

And I don't want no substitute

Baby, I swear it's DeJa Vu
Know that I can't get over you
Cause everything I see is you
And I don't want no substitute
Baby, I swear it's DeJa Vu

Verse 2:

Seeing
Things that I know can't be
Am I dreaming?
When I saw you walking past me
Almost called your name
Got a better glimpse and then I looked away
It's like I'm losing it

Pre-Chorus:

Boy, I try to catch myself
But I'm out of control
You're sexiness is so appealing
I can't let it go!
Oh Oh, Ah!
Oh, Oh-Ah!Whoa OH!

Chorus:

Know that I can't get over you
'Cause everything I see is you
And I don't want no substitute
Baby, I swear it's DeJa Vu
Know that I can't get over you
'Cause everything I see is you
And I don't want no substitute
Baby, I swear it's DeJa vu

Jay-Z (Rap 2):

YES!
Hov's flow so unusual,
Baby girl you should already know
it's H.O., light up the dro
'Cause u gon' need help tryna study my--
BOUNCE! flow, blow
What's the difference?
One, you take in vein while the other you sniffin'
Its still dough, po-po try to convict him
That's a no-go, my dough keep the scales tippin'
Like 4-4's
Like I'm from the H-O-U-S-T-O-N,
Blow-in, so Chicago of him
Is he the best ever that's the argu-a-ment
I don't make the list don't be mad at me
I just make the hits like a factor three
I'm just one-to-one nothin' after me

No DEJA VU, just me and my--OH!

Bridge:

Baby I can't go anywhere
Without thinking that you're there
seeing you everywhere , it's true
Gotta be having Deja Vu!
Cause' in my mind I want you HERE
Get on the next plane, I don't CARE
Is it because I'm missing you
That I'm having Deja Vu?

Pre-Chorus:

Boy, I try to catch myself
But I'm out of control
You're sexiness is so appealing
I can't let it go
Whooooooo, Ohhhh....

Chorus (x2):

Know that I can't get over you
'Cause everything I see is you
And I don't want no substitute
Baby, I swear it's Deja Vu
Know that I can't get over you
'Cause everything I see is you
And I don't want no substitute
Baby, I swear it's Deja Vu
