[Intro]

To be or not to be
Not

Hold Up, bring the beat back

Stop, I ain't ready yet

Wait, let me fix my hair (yes, yes)

Yes mam (yes mam) Yes

[Verse 1]

I think I'm ready
Been locked up in the house way too long,
It's time to get it,
Cause once again he's out doing wrong,
And my girls are so real,
Said it's been a minute since I had some
He's been acting up, but he won't be the only one

(Oh) Cause when he acts wrong (Oh) that's when you
put it on,
(Oh) Get him uptight (Oh) this is your song
(Oh) Hold out your back (Oh) time to impress
(Oh) Pull out your freakum dress

[Chorus]

Oooh put your freakum dress on Oooh put your
freakum dress on
Oooh put your freakum dress on Oooh put your
freakum dress on
Oooh Every woman got one Oooh Shut it down when the
time's come
Oooh Pull out the big gun Oooh and put your freakum
dress on

[Verse 2]

Soon as you saw me, turned on by how the dress was
fitting right
Short and backless (backless, backless)
See my silhouette in the moonlight

Such an attraction, keep telling me how my outfit's so
nice
Little did he know, Ha my man gonna take it off tonight

(Oh) Cause when he act up (Oh) that's when you put it
on,

(Oh) Get him uptight (Oh) this is your song

(Oh) Hold out your back (Oh) time to impress

(Oh) Pull out your freakum dress

[Chorus]

Oooh put your freakum dress on Oooh put your
freakum dress on

Oooh put your freakum dress on Oooh put your
freakum dress on

Oooh Every woman got one Oooh Shut it down when the
time comes

Oooh Pull out the big gun Oooh and put your freakum
dress on

All the ladies (oh) you with this all dressed up in your
dresses, and you're bestest with no reason?

Get ready to freakum dress em

When you put it on it's an invitation, when they play
your song get on up and shake it,

Work it out your back you don't have to waste it,

Spin it all around then take it to the ground and [2x]

(Oh) Cause when he acts wrong (Oh) that's when you
put it on,

(Oh) Get him uptight (Oh) this is your song

(Oh) Hold out your back (Oh) time to impress

(Oh) Pull out your freakum dress

Oooh put your freakum dress on Oooh put your
freakum dress on

Oooh put your freakum dress on Oooh put your
freakum dress on

Oooh Every woman got one Oooh Shut it down when the
time's come

Oooh Pull out the big gun Oooh and put your freakum
dress on

Ladies look at here, when you been with your man for a
long time (oh)

Every now and then you gotta go in the back of that
closet and pull out that freakum dress (oh) uh,
