Some of them men think they freak this like we do
But no they don't
Make your cheque come at they neck
Disrespect us no they won't

Boy don't even try to...
Boy this beat is crazy
This is how they made me
Used to take us baby
This goes out to all my girls that's in the club rocking
the ladies
... get more money later
I think I need a barber
None of these bitches can fade me
I'm so good with this
I remind you i'm so hood with this

Boy i'm just playing
Come here baby
Hope you still like me
If you hate me
My persuasion can heal the nation
In this hour our love we can devour

You'll do anything for me

Who run the world? Girls
Who run the world? Girls
Who run the world? Girls
Who run the world? Girls
Who run this mother? Girls
Who run this mother? Girls

Who run this mother? Girls
Who run this mother? Girls
Who run the world? Girls
Who run the world? Girls
Who run the world? Girls
Who run the world? Girls

It's hot up in here DJ don't be scared to run this run this
back

I'm repping for the girls who're taking over the world
have me raise a glass for the college grats
... i'll let you know what time it is
You can't homie I broke my 9 to 5 better... my cheque
This goes out to all the women getting it in get on your
grind
To other men that respect what I do please accept my
shine
Boy you know you love it how we're smart enough to
make these millions

Strong enough to bear the children then get back to
bidness

You better not play me oh come here baby
Hope you still like me if you hate me

My persuasion can build a nation
In this hour our love we can devour
You'll do anything for me

Who run the world? Girls
Who run the world? Girls
Who run the world? Girls
Who run the world? Girls
Who run the world? Girls
