Girls, we run this motha (yeah!) x4
GIRLS!

Who run the world? Girls! x4
We run this motha? Girls! x4
Who run the world? Girls! x4

[Beyonce - Verse 1]

Some of them men think they freak this like we do
But no they don't
Make your cheques come at they neck,
Disrespect us no they won't

Boy don't even try to take us
Boy this beat is crazy
This is how they made me
Used to take this baby
This goes out to all my girls
That's in the club rocking the latest
Who will buy it for themselves and get more money
later

I think I need a barber
None of these niggas can fade me
Im so good with this,
I remind you im so hood with this

Boy im just playing, come here baby
Hope you still like me, If you fuck me
My persuasion can build a nation
Endless power, our love we can devour
You'll do anything for me

[Chorus]

Who run the world? Girls! x4
We run this motha? Girls! x4

Who run the world? Girls! x4

[Beyonce - Verse 2]

It's hot up in here
DJ don't be scared to run this, run this back
I'm repping for the girls who taking over the world
Have me raise a glass for the college grads

Anyone rolling I'll let you know what time it is
You can't hold me
I work my 9 to 5 then I cut my cheque
This goes out to all
To the other men that respect what I do the women
getting it in,
Get on your grind
Please accept my shine

Boy you know you love it
How we're smart enough to make these millions
Strong enough to bare the children
Then get back to business
See, you better not play me
Don't come here baby
Hope you still like me
If you hate me!

[Bridge]

My persuasion can build a nation
Endless power
Our love we can devour
You'll do anything for me

[Chorus]

Who run the world? Girls! x4
We run this motha? Girls! x4
Who run the world? Girls! x4
