I remember being young in some ways
I knew what I needed
I was spending all my nights and days laid back day dreaming
Look at me I'm a big girl now, said I'm gonna do something
Told the world I would paint this town
But now bitches I run this

'Cause I put it (down like that down like that)
And I'm making (all these racks all these racks)
And I'm moving (round like that round like that)
When I do it (I don't look back don't look back).

I'm a grown woman
I can do whatever I want
I'm a grown woman
I can do whatever I want

I can be bad if I want
I can do wrong if I want
I can live fast if I want
I can go slow all night long

I'm a grown woman
I can do whatever I want

They love the way I walk
'Cause I walk with a vengeance
And they listen to me when I talk
'Cause I ain't pretending
It took a while, now I understand
Just where I'm going
I know the world and I know who I am
'Bout time I show it

'Cause I put it (down like that down like that)
And I'm making (all these racks all these racks)

And I'm moving (round like that round like that)
When I do it (I don't look back don't look back).

I'm a grown woman
I can do whatever I want
I'm a grown woman
I can do whatever I want

I can be bad if I want
I can say what I want
I can live fast if I want
I can go slow all night long
I'm a grown woman
I can do whatever I want

I'm a grown woman
So I know how to ride it
I'm a grown woman
And I'm so erotic
I'm a grown woman
Look down got you so excited
I'm a grown woman
Look at my body

It ain't no fun
If a girl can't have none
You really wanna know how I got it like that
'Cause I gotta cute face and my booty so fat

Go girl (Go girl)
She got that bomb (that bomb)
That girl, she'll get whatever she wants.
Go girl (Hey girl),
She got that tie (that tie)
Them boys,
They do whatever she likes
