people come and go,
but don't frown.
cause thats how life go's
everthing go's around.

you should know,
that by now,
everyone else knows,
but just like isaid don't frown

some people runaway,
some people decide to stay,
so have a...

happy face,
things come and go,
without warning,
so embrace your self and show the world +2

put on a happy face
a happy face
a happy face
a happy face +2

you can cry at funeral,
but rememder,
there in your soul,
but don't forget,
there still there.

don't forget that,
everything begins and ends,

don't forget,
then you'll fly free.

some people runaway,
some people decide to stay,
so have a...

happy face,

things come and go,
without warning,
so embrace your self and show the world.

[repeat chours tune twice]
don't forget me,
when i go away [oh oh]
cuz i'll come back some day.

don't let time pass you by and don't cry cuz...

I,i
don't want to let you know
I,i
drown in your memory
I,i
don't want to let this go
I,i
don't

[chours +4]
happy face +15
