(chorus)

hey ladies

why is it that men could go do us wrong?

why is it that we just decide to keep holdin on?

why it is that we neva seem to just have the strength to
leave?

but hes go to(hes got to go)

hey ladies

why is it that men could go do us wrong?

why is it that we just decide to keep holdin on?

why it is that we neva seem to just have the strength to
leave?

but hes go to(hes got to go)
