[Intro]

Iâ€™m out that H-town
Coming, coming down
Iâ€™m coming down dripping candy on the ground
H, H-town, town, Iâ€™m coming down
Coming down dripping candy on the ground

[Verse 1]

I know when you were little girls
You dreamt of being in my world
Donâ€™t forget it, donâ€™t forget it
Respect that, bow down bitches
I took some time to live my life
But donâ€™t think Iâ€™m just his little wife
Donâ€™t get it twisted, get it twisted
This my shit, bow down bitches

[Bridge]

Bow down bitches, bow bow down bitches
Bow down bitches, bow bow down bitches
H-town vicious, h-h-town vicious
Iâ€™m so crown, bow bow down bitches

[Hook x2]

I been on, I been on, I been on
Tell me who gon take me off
Take me off, take me off, take me off

[Verse 2]

Rolling high, leather and wood
Keep it trill, that's what good
Kiss my momma, show that love
Pop them bottles in that club
I heard your boo was talking lip
I told my crew to smack that trick
Smack that trick, smack that trick
Guess what they did, smack that trick
Gold everything, gold ass chain
Gold ass rings, gold ass fangs
You can see me stunt when you turn on ya screen
You can see me stunt when you turn on ya screen

Iâ€™m bigger than life, my name in the lights
Iâ€™m the number one chick, ainâ€™t need no hype
The capital B means, Iâ€™m â€™bout that life
The capital B means, Iâ€™m â€™bout that life

[Hook]

[Outro]

I remember my baby hair with my dookie braids
Frenchyâ€™s, Boudin in the parking lot
Shout out to Willie D
I was in that Willie D video when I was about fourteen,
looking crazy
Shout out Pimp C
You know we used to sneak and listen to that UGK
Didnâ€™t do your girl but your sister was alright, damn
In ya homeboyâ€™s Caddy last night man, haha
Hold up, Texas trill
H-Town going down, man
