Feel like I'm loosing my mind
Love is so hard to find
You led me on to believe you belong to me
Oh oh
I'm going through difficult times
I always thought you were mine
Love doesn't feel like this
This is my final wish

Hook:

The next time your truck rolls by
No matter how hard I cry
Please don't stop in front of me
Cause your loves no longer sweet
The next time I bring you change
Baby please pull back your hand
You know your not what I need
Let me go Let me do B

Chorus:

You've got me chasing after you like an
Ice cream truck
I try my luck and catch up but
It always out of luck
(And my heart just melts)

You've got me chasing after you like an
Ice cream truck
I try my luck and catch up but
It's always out of luck
(And mt heart just melts)

Verse 2:

Faster and faster I ran
You sped up and then
Just as I thought I've caught up
I'm chasing you again
Finally
You stopped and I jumped on
I realized the flavor was wrong
You thought I was still holdin on
It's good to know what's goin on

Hook:

The next your truck rolls by
No matter how hard I cry
Please don't stop in front of me
Cause your loves no longer sweet
The next time I bring you change
Baby please pull back your hand
You know your not what I need
Let me go Let me do B

Chorus:

You've got me chasing after you like an
Ice cream truck
I try my luck and catch up but
It always out of luck
(And my heart just melts)

You've got me chasing after you like an
Ice cream truck
I try my luck and catch up but
It's always out of luck
(And my heart just melts)

Bridge:

You got me
Chasin you
I try my luck
I can't catch up
Cuz you got me
Chasin you
My hearts melting
It's like ice cream
You got me
Chasin you
I try my luck
I can't catch up
Cuz you got me
Chasin you
My hearts melting
It's like ice cream

Bridge ending:

I've been chasin after you
Now it's time to let you go
Yes I try time and time agian
You don't love me
It's got to end
I tried so hard
Damn there lost my mind
Cuz real love is hard to find

Now my heart can't take no more
Now I know boy you aint mine

Chorus:

You've got me chasing after you like an
Ice cream truck
I try my luck and catch up but

It's always out of luck
(And my heart just melts)

I try my luck and catch up but
It's always out of luck
(And my heart just melts)
